The Cap Collection

INTRODUCING THE CAP COLLECTION

For more than 25 years, Beechfield® Original headwear has remained at the forefront of rebrandable fashion and ahead of the curve when it comes to cutting-edge lifestyle products. Beechfield® caps are a staple amongst our industry-leading headwear designs, with styles to suit everyone and every occasion, from gym-goers to trend-setters and even something for the kids. Beechfield® has something for everyone.

Here you'll find our complete range of caps divided into their various collections, for your convenience, including: our timeless **Fashion Classics** featuring your all-time favourite designs; our **Fashion Trend** caps for the more fashion-focused consumers; our conscious **Sustainable** collection weaving in organic and recycled polyester to make rebranding more responsible; our **Sports** styles designed to meet all manner of fitness and activity requirements; our **Vocation** collection for workwear delivering fashion and function; and of course, our smaller styles for **Juniors** that are as cute as they are cool.

Every Beechfield® cap has been designed with decoration in mind. Fabrics are tested for a wide range of requirements, including compatibility with leading printing inks, embroidery threads and transfer papers. Features are positioned to provide maximum scope for getting creative when it comes to expressing your brand, and we've selected the most premium finishing details to complement and enhance a diverse array of surface decoration opportunities. You can be rest assured that whichever Beechfield® cap you decide on, you are not compromising on quality or style.
